

**COLUMBIA STEEL®**

## Double Beam Grate #401407 For American 98 x 104

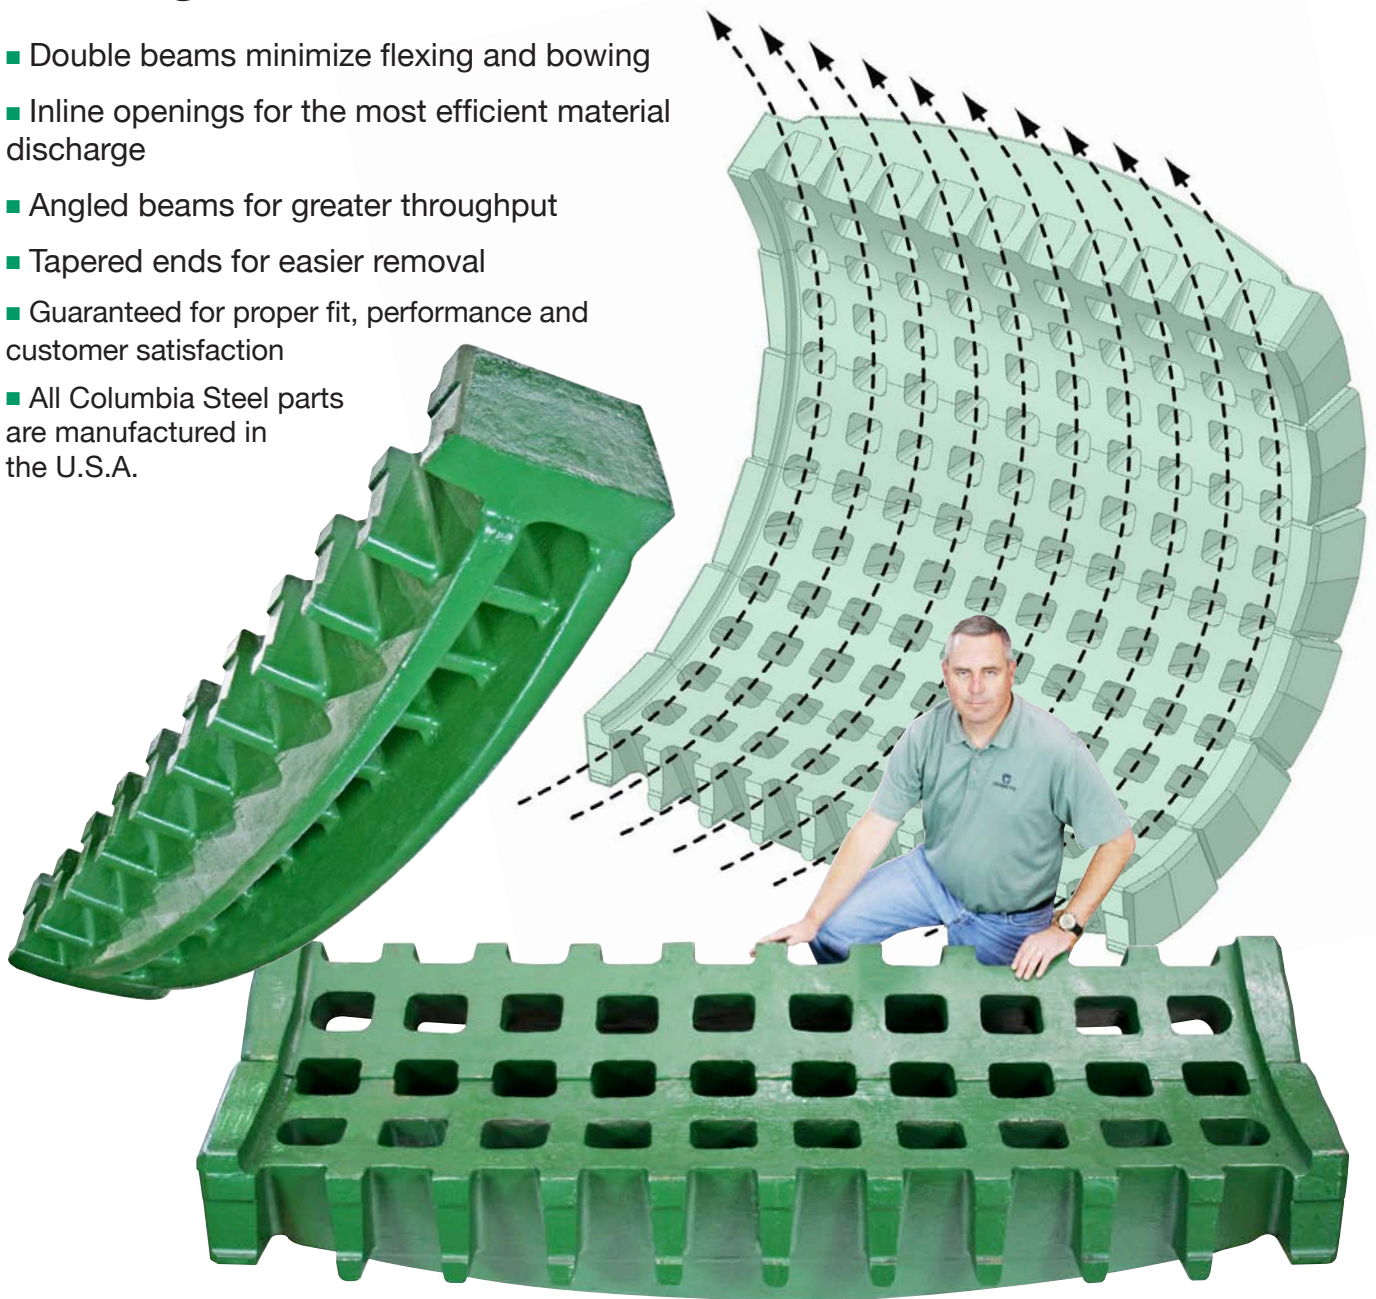

Rev. 9/10

**6.30" x 5.00" INLINE OPENINGS**

**PA 315**

### Keep it inline and keep on shredding with our double beam grates for 10-hammer track disk rotors.

- Double beams minimize flexing and bowing
- Inline openings for the most efficient material discharge
- Angled beams for greater throughput
- Tapered ends for easier removal
- Guaranteed for proper fit, performance and customer satisfaction
- All Columbia Steel parts are manufactured in the U.S.A.
